#### **Penta Hotel Leipzig - Germany**

Completed in June 2009

Refurbishment of all public areas

"Excellent basics but no frills" is the business concept of this fast growing newcomer in the midmarket hotel segment.

An interior design concept developed for cost-effective refurbishing, offering a lifestyle philosophy and recognizability for guestrooms and public areas.

"Patchwork" as a design scheme: wooden flooring, surprising design features, warm colours, straightforward materials and a lounge atmosphere are our main drivers.

#### **Green Office Building Templin - Germany**

Completed in June 2008

Refurbishment of a 750 sqm office building, including façade and outdoor space design.

According to the CI of this expanding wood industry, large oak surfaces and strong green accents are the main actors in this project.

The entire building has been reorganised according to the needs of the users. All areas, (entrance, circulations, board room, breakout area, cafeteria, 6 executive offices, 3 head offices, staff toilets and visitor toilets) have been designed with a great care to details.

#### **Private Residence Nuremberg - Germany**

Completed in May 2008

Located in a quiet residential area this prefabricated house was meant to be destroyed.

With a complete new interior, designed to meet the owner's needs and a few changes to the façade it now enjoys a second life.

#### **Private Villa in Sotogrande - Spain**

Completed in October 2008

Interior design, pool design, terraces and façade design.

Overlooking the Gibraltar rock, this 1200 sqm summer residence has large glazed openings creating fluid transitions to the terraces, garden and pool area.

Designed with refreshing water surfaces and a natural ventilation system this villa offers comfortable temperatures without air condition. It is composed of an entrance hall, a living area, a dining area, a kitchen and laundry, 3 master bedrooms, 3 master bathrooms, 1 office, 1 guest bedroom, 1 guest bath, 1 guest toilet, 3 terraces, a large garden and an outdoor pool.

#### **Radisson Blu Royal Hotel Brussels - Belgium**

Completed in July 2006

Refurbishment of 37 rooms and 3 suites.

Located in the Baroque Quartier of Brussels this hotel with its Art Deco façade was originally planned by Michel Jaspers. Elegance and cosiness are the key words for the new rooms.

#### **Private Yacht - Italy**

Completed in May 2005

Refit of a 40 m Benetti yacht, bespoke design and high end finishes for this elegant refurbishment in the style of the 30's. All furniture and fittings have been created specifically for this yacht, combining finest Italian craftsmanship with a charming maritime design.
